# About Us

*A passionate team dedicated to bridging the skills gap and equipping individuals with the tools they need to thrive in the ever-evolving job market. Through our innovative training programs, we empower individuals to unlock their potential and secure fulfilling careers.*

*Skillshift ignites career transformation for fresh grads, working professionals, and job seekers. Our curated program bridges the gap between theory and practice, equipping you with in-demand skills and confidence to thrive in today's job market.*

# Our Company Founders

03

*What sets Skillshift apart? It's the unique approach our founders have developed. They saw the limitations of traditional training programs - lengthy, theoretical, and often disconnected from real-world industry needs. Skillshift is their answer:*

*Focus on In-Demand Skills*

*Accelerated Learning*

*Expert-Led, Practical Training*

*Fast-Track to Placement*

**Capt Athul Haridas**  
*CEO & Co-Founder*

**Mr. Jayvardhan Chetty**  
*COO & Co-Founder*

# Our Value

*SkillShift by Nozomi Enterprises is a revolutionary accelerated training program designed to equip you with the most sought-after technical/Non-Technical skills in the IT industry. Our intensive program combines rigorous learning with practical application, preparing you to hit the ground running and impress recruiters.*

04

**0%** ↓

## **From Ground level**

*We follow Bottom Up Approach where we will make the student learn from basics to advance level where the student will execute multiple projects in short period of time.*

**90%** ↑

## **Pre Interviewed Candidates**

*We will train you to be the best in class as you will be one step above any jobseeker. Remaining 10% is something what we call self-belief.*

**- SkillShift.**
